## Weigh In On Accessibility

- Scan the code to take the survey and share your thoughts!

### Accessible Parks

*The City of Conover is applying for an Accessible Parks grant to maximize access to recreation and we want your input!*

- If awarded, grant funds will be used to make improvements to our existing parks.

### Share your ideas..

  - What improvements would you like to see?
  - What should we add or remove?

## One Arm Bandit Has Arrived!

*The City of Conover has purchased a one arm side loader sanitation truck that will roll out on April 1st!*

### Why it matters...

- This truck allows us to work more efficiently and keep our workers safe from oncoming traffic.

### Things to know...

- **Beginning April 1st, the city will ONLY empty city-issued bins** for both household waste and recycling. After 4/1 any non-city-issued bins placed at the curb will not be emptied.
- Call Public Works to order additional bins (828)464-4808.

### Reminders:

- Place roll out bin with the wheels and handles facing your home and lid facing the street.
- Keep roll out bin at least 3 feet from another bin, vehicle or mailbox.
- Bag all garbage placed in the bin. No loose items!
- Make sure lid is closed.
