2021 Annual Drinking Water Quality Report is available now!

The 2021 Annual Drinking Water Quality Report is available now! The City of Conover is pleased to present to you this 2021 edition of the Annual Drinking Water Quality Report. This report is a snapshot of 2021 water quality. Included are details about your source(s) of water, what it contains, and how it compares to standards set by regulatory agencies. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water and to providing you with this information because informed customers are our best allies. If you have any questions about this report or concerning your water, please contact Brian Bradshaw at (828) 464-4808.

Visit the Conover Farmers Market every Saturday from May-August 8am-12pm rain or shine. A great visit for the entire family! The Catawba Traveling Library will visit the market every third Saturday - so be sure to mark it on your calendar! The Farmers Market features fresh produce, fruit, and so much more.

The Market still has room for more vendors - you can apply directly by visiting conoverfarmersmarket.org.

The Market is still on the search for Board Members! If interested in serving on the Conover Farmers Market Board contact Randy Montrie at nmontrie@outlook.com or call (828) 431-4925
