Santa Cops

The Conover Police Department is currently working on our 15th annual Santa Cops program. The Conover Police Department Santa Cops Program is designed to help local families provide a memorable Christmas for their children. Thanks to your donations of children's toys and clothing, we are able to help families in need with your support. With your help we have been able to provide gifts to hundreds of children and put smiles on their faces that will last in our hearts and memories forever. This is always a great experience for Conover Police Officers and the community's children that are in need. Please help us make this another successful year! If you know of a family that you believe may benefit from this program please let us know! For more information contact the Conover Police Department at 828.464.4698.
