Conover Fall Cemetery Clean-Up

The City's annual Fall Cemetery Clean-Up will take place on November 9th & 10th, 2020. Those who have loved ones in any of the city cemeteries should be advised that the cemetery maintenance staff will be removing all weathered or out-of-season flower arrangements. Also, any toy, trinket, vase, jar or anything determined unsightly or undesirable will be removed. Please have your personal items removed by November 8th. All new flowers may be put out November 13th, 2020 and must be displayed in permanent vases attached to markers. For further information or questions, please contact City Hall at 828-464-1191.

Conover Farmers Market

The Conover Farmers Market is still open! Follow the Market on Facebook and Instagram @conoverfarmersmarket and visit www.conoverfarmersmarket.com to stay up-to-date on scheduled events through the end of the year. The Market will hold their Holiday Market on November 21st from 10:00 a.m. – 2:00 p.m. at the Conover Post Office parking lot (109 1st Street East). Join them for fresh produce, local meats, handcrafted gifts and beautiful home décor for the holiday season.

Santa Cops

The Conover Police Department sponsors Santa Cops each Christmas holiday season. This program provides children with an unforgettable Christmas and helps provide presents to over 150 children per year. Consider donating a new, unwrapped toy to this great program. More information can be found on the City's website at: www.conoverncc.gov/santacops or www.facebook.com/SantaCops

Fall Leaves and Storm Drains

Most of us put leaves at curbside for pickup by the City's Public Works Department. That's great, unless they are placed in the street! Rain carries leaves placed in the street straight to the nearest storm drain. In large quantities, they can block the drains and contribute to localized flooding. In smaller quantities, the storm drain takes them to streams and creeks where they cause havoc with the ecosystem. But haven't leaves been falling into streams and creeks forever? Sure, and if each creek or stream

only had to handle what fell into it naturally, they'd be just fine. But by the time you and your neighbors rake your yards, that's more leaves than a creek or stream can handle. A great alternative to placing leaves at the curb is to compost and add them back to the lawn or your garden and flower beds.

If you do blow or rake your leaves to the front yard for pick up, please remember it is a violation of the City of Conover Code of Ordinances and a misdemeanor to place them on the street side of the curb or on the street itself!

Recycling Update

Word has gone out that recycling habits need to change for us to be able to provide markets with clean, usable materials. The days of bagging recyclables and throwing things in the carts just because they are a type of plastic or metal or even “look” recyclable are over (even if the packaging has a recycle symbol on it). We, as a community need to work together to clean up our recycle stream in order to be able to provide our recycler with a better quality material. We are working on a sticker design that will fit atop the 96 gallon containers that are currently in place within the City to help citizens understand what now goes into the carts. The new motto is “when in doubt, throw it out”. After all, everything that has a “recycle symbol” on it is recyclable right? Short answer, yes- just not in our recycle stream at this time.

Please visit www.conovernc.gov/recycle for updated information. We, along with many other local governments in the state, have partnered with Recycle Right NC in a campaign to help clean up the recycle stream going to the various recyclers in our state. We have started leaving tags on carts that are not in compliance with the new standards in an effort to raise awareness of the need to change how we recycle. Additionally, City Staff would be glad to meet one on one with residents to address concerns and issues. Let’s all work together to clean up recycling in Conover! #ConoverRecyclesRight

For further information contact Sanitation Supervisor Wayne Mays at 828-464-4808.

IT'S PEANUT BUTTER JELLY TIME!

WHAT? The Guardian ad Litem Program is collecting plastic jars of Peanut Butter and Jelly to be donated to local Backpack Programs, Food Pantries and Food Banks that help local families and children in Catawba, Caldwell and Burke Counties.

WHEN? Collect & donate between October 1st, 2020 - January 18th, 2021 (Martin Luther King Jr. Day)

WHERE? Donate to any local GAL Office, or to your local collection site:

WHY? Help our local GAL Program reach our goal of 2,500 jars to feed hungry North Carolina families and children!
